Dear Councillors,

Re: New Street Naming Proposal

Under Cheshire East Council's Street Naming & Numbering Policy procedure, we are required to gather views of various internal and external bodies, including the Ward Councillors and Parish Council for any proposed new street names being allocated under the Council's Street Naming & Numbering statutory powers.

We have received an application to rename the previously approved 'Denham Close' at the former Kings School site, Macclesfield.

Planning application = 18/3545M

The developer has put forward the following suggestion:

Painton Close

Reason: in honour of former King's pupil James Painton, the rugby player who sadly passed away on the 2007 Argentina Tour.

Attached is a site plan for the development.

Please could you let me have your comments by 14/10/2021? This deadline is necessary in order to allow all consultation to be completed within the timescales laid down by the street naming legislation. Therefore, if I do not hear from you by 14/10/2021 I will assume you have no comments/objections to make.

Yours faithfully

Paul Barallon

Street Naming and Numbering Officer
