

Report Statement

Report Purpose:

To inform the Planning Committee of the draft Environmental Protection Supplementary Planning Document (EP SPD) consultation

Author:

Admin and Governance Manager

Background

The draft Environmental Protection Supplementary Planning Document (EP SPD) has been published for consultation and provides guidance on a range of environmental issues that must be addressed in the planning process, including air quality, noise pollution, odour and contamination.

This is the first stage of consultation on the SPD which, once adopted by Cheshire East Council, will be a material consideration in decision-taking.

The consultation will run from 12pm on Monday 18th October 2021 to midnight on Monday 29th November 2021.

Due to shielding, only two members of the Planning Policy Consultation Working Group would be present at a face-to-face meeting. To allow for a more representative response from Macclesfield Town Council, this consultation has been brought to the Planning Committee.
