

## Report Statement

### Report Purpose:

18. South Park Pavilion Working Party

### Author:

Town Clerk

### Update

The South Park Pavilion working party is made up of the following members:

- Central Ward Town Councillors
- South Ward Town Councillors
- Town Clerk
- ANSA Representative
- 3 x SPARK representatives

The first meeting took place 1<sup>st</sup> December where terms of reference were discussed and agreed and information on the uses and key elements of the building were captured, including the use of previous consultation work.

The next steps are:

- To agree Co-Chairs (one to be a Councillor)
- To design a brief for the building. This once agreed will be used to gain quotes for plans from architects – the aim is to get this ready for Jan 22.
- To plan if and how crowd funding can be gained to assist with funding for the building.
- To feedback to every full council on progress with a standing agenda item.
- To publish notes from the working party on the Macclesfield Town council website.
