5.1 Community Engagement Update

We continue to meet regularly with Town Centre event managers to share best practice, ideas and offer support. The last meeting was held on the 28th March and was really beneficial with lots of productive discussion.

The Assistant Town Clerk continues to be part of the Macclesfield Food network which now meets monthly. The group helps to support each other when issues arise and the group also provides a sounding board for new ideas and ways of doing things.

We are starting to work with the young offenders team on projects such as road closure letter delivery.

Now that we are in Spring, we have had an increase in volunteer role interest. We now have 3 official volunteers so far. 2 of these will be supporting the ranger team with the wildflower project. One will be supporting events.

A defibrillator is due to be installed at Green in the Corner on the 20th April.

5.2 CVSCE update
