Short project description:	We are fundraising to send 10 Scouts from the Macclesfield & Congleton Scouting District to the 25 <sup>th</sup> World Scout Jamboree in South Korea in 2023. This prestigious event happens every four years with participation from around 40,000 Scouts worldwide.
If you receive a grant, briefly tell us what difference it will make to your organisation/area:	As part of the journey to the Jamboree, the Scouts attending have to leave a legacy in their community by inspiring other young people. Currently, they are taking on roles as Young Leaders for local Beaver, Cub and Scout groups. These groups provide essential social benefits for their youngsters, especially due to the problems caused by the recent pandemic and its disproportionate impact on children. These 10 young people support hundreds of others in this district to be involved with positive learning activities. Engaging young people in these sorts of positive programmes has considerable benefits for the local communities in which they live. The ability to attend the Jamboree is the pinnacle for a scout. By attending next year's Jamboree the 10 young people will help motivate others by seeing that they too can achieve this experience. They have already started on this process by delivering presentations to their local groups and taking part in the district camp. We are planning that some of the fundraising events will have a direct impact on opportunities for local young people to be involved, for example with our district abseil challenge.
