Also picket fencing to protect the area.</p> <p>This project will cost substantially more than the grant and we already have secured partial funding that has been generated through generous donations from playing members, but we don't have enough to start the project yet.</p> <p>We have already started clearing the land as we are committed to this project either way due to the benefits to our local community and the families that already attend the club.</p>
<p>How will your project or service be sustained in the future? Maximum 50 words):</p>	<p>Our ground is maintained on a weekly basis with a part time groundsman.</p> <p>This area will also be maintained by funds generated through academy playing memberships.</p>
