7.1 Parks and Play Areas

Banbury Park:

The resurfacing of paths / Muga & drainage has been completed, and a snag list was submitted to ANSA. Ansa are working with Cllr Bennett-Wake on spending the remainder of the money on trees, plants and some repairs.

Windmill Park:

The Town Council has committed £26,500 to the skate park. Ansa are working on a plan for this amount approx.

Weston:

The equipment has been ordered and delivery is due by end of April and installation should follow quickly after. The consultation also showed there was a desire for artwork, therefore a brief has been written to find an artist and will go public within the next month.

Accessible Equipment:

The accessible equipment has been delivered and installed and extremely well received.

7.2 South Park Pavilion

The South Park Pavilion working party continues to meet regularly made up of residents, SPARK, CVS, Councillors and ANSA. ANSA will be carrying out a consultation on South Park over the next month and the working party aims to work hand in hand with the pavilion consultation.

The Councillor panel are currently reviewing the 17 proposals from Architects and aim to take the final decision to the full council meeting in May.

The working party are currently working on funding applications to raise money towards the build.

7.3 Playing Out

Before this project can progress, we need commitment from local organisations to support the delivery.

Cre8 have suggested that their youth workers would like to take this project forward. The Assistant Town Clerk is trying to organise a meeting to discuss this further.

7.6 Street Bluez (formerly Premier League Kicks)

At the last services committee meeting, it was noted that there was not an even spread of children from each ward of Macclesfield attending these sessions. The

Assistant Town Clerk spoke to the representative from the Community Sports Trust and sent out a promotional email to all schools in the town council area.

We now await to see if this results in an increase of attendees to the session from a wider variety of wards. An update will be provided at the next committee meeting.
