

Report Statement

Report Purpose:

To update members on leisure and outdoor activity projects

Author:

Community and Events Manager, Town Clerk and Projects Officer

7.1 Parks and Play Areas

Banbury Park:

The resurfacing of paths / Muga & drainage has been completed, and a snag list was submitted to ANSA. Ruth Morgan is to propose how the remainder is spent as the community consultation showed a desire for flowers and trees.

Lanark Walk:

The swings at Lanark Walk have been painted and the upgrade to the park is complete.

Windmill Park:

The Town Council has committed £25,000 to the skate park. Ansa are working with the community to raise further funding for this project.

Weston:

The consultation showed that the community wanted equipment (a zip wire and swing) which have been ordered with a delivery date of March. There is also a desire for some artwork and possible CCTV, which the Town Council are pursuing with CEC to see if they can provide.

Accessible Equipment:

The accessible equipment is due to be delivered early February and then ANSA will give the Town Council an installation date. They have highlighted that they are short staffed at present.

7.2 South Park Pavilion

The South Park Pavilion working party has been established with Councillors from Central and South ward, and representatives of the community from the SPARK (friends of south park group). Good progress has been made, and a 'Design Brief' has been produced by the group, to start the procurement process to choose an architect to design plans for the building. There will be 2 plans – a one storey plan and a two storey plan, which we will then take to public consultation.

The working party are also planning to crowdfund and complete grants to raise money towards the build.

7.3 Playing Out

A meeting is to be held with representatives for the project from South ward and Hurdsfield (the two pilot areas) to see if we can progress this project in the Spring.

7.4 Allotments

Knowsley Road:

The site is now fully occupied.

Fencing to be upgraded by the Rangers late January/early February. This will provide greater security for the site.

Springfield Road:

One plot is vacant and we are currently trying to find a tenant.

Following flooding problems on site last year, Central Drain Services will be attending in the next couple of weeks to follow up to ensure that there are no further problems.

Park Grove:

Three trees have been removed which has enlarged two plots. This has increased the useable area and these have been re-measured and the tenants will be charged a higher rental figure accordingly.

One plot is vacant and we are currently trying to find a tenant.

Laburnum Road:

To strengthen security at the site following several break-ins the perimeter fencing and boundary gates have been upgraded. The newly-installed gates are over 1 metre high and retrospective planning permission is currently being obtained by the site.

7.5 Street sports

Street sports is well attended and below are the attendance figures from recent sessions.

Week 42

| Date | Location | Coaches | Sports | Numbers | Weather |
|----------------------------------|----------------------|--|--------|---------|---------|
| Tues 18 th January | Jasmine Park MUGA | Alex & Evan | | 8 | |
| Wed 19 th January | Banbury Close | OFF – Due to late staff sickness | | N/A | |
