

Macclesfield Town Council Ward Budget Application Form

Name of Ward	Macclesfield East
--------------	-------------------

Tell us about the project?

The Town council has committed funding towards upgrading the BMX track at Windmill park, I would like to put some of my ward budget towards this project.

How will residents benefit from this?

Many residents on my ward use this park and the improved track would encourage visitors to use the outdoors and the park.

How will residents help the project?

There is a local group that has recently cleaned up the track and is fundraising to increase the amount there is to spend on the upgrade..

What difference do you hope this project will make?

The difference will be a safe and clean and upgraded track for resident sand visitors, encouraging health and wellbeing.

How much will it cost?

I would like to use £1500 of my budget towards this project.
