Britain in Bloom

Met with Laura and mapped out where the Planters, Hanging Baskets Square Planters are situated, which are coloured coded thus to ensure that the Ansa Contract 2022 Floral Bedding are Planted as to the agreement for The Town Council.

Britain in Bloom Zoom Meeting:

Have drawn up Bedding Scheme for Floral Displays and Areas for Wildflower meadows (yet to be Confirmed) hopefully we will get the Go Ahead, especially the verge opposite Sainsburys Roundabout.

I will continue discussions with ANSA regarding these schemes to ensure we have a really Gold Medal Winning Display.

Sent a E-Mail to Brunswick Hill resident who is wanting to support the Britain in Bloom effort in that area.

Once Again Very Happy Days.
