Britain in Bloom Zoom Meeting:

Have drawn up Bedding Scheme for Floral Displays and Areas for Wildflower meadows (yet to be Confirmed) hopefully we will get the Go Ahead, especially the verge opposite Sainsburys Roundabout.

I will continue discussions with ANSA regarding these schemes to ensure we have a really Gold Medal Winning Display.

Sent a E-Mail to Brunswick Hill resident who is wanting to support the Britain in Bloom effort in that area. No Response to Date.

Special Report from The Rangers Team.

May we Take this opportunity in Thanking Gill and Harriet for all their support given to the Rangers Team who have been vital in the success of all our work, supporting the Community with their requests and problems.

We wish them every Happiness in there new Roles and will be sadly Missed.

Kindest Regards

The Rangers Team
