

Micro grants guidance document

'Macclesfield Micro Grants' are small grants of up to £100 for individuals or informal groups of residents.

Eligibility for the grant:

- Your project must benefit the people Macclesfield
- You can be an individual
- You can be an informal group
- Your project must fit one of the themes laid out in our Macclesfield Town Council Strategy
 - Environment
 - Transport
 - Local Service Delivery
 - Community

Themes:

- **Environment and green spaces**
An example could be to buy gardening equipment to improve local shared land.
- **Improve community spirit and community activities**
Setting up a reading group, or a walking group. Anything that brings people to together safely.
- **History and heritage**
A collective memories book or recordings and videos.
- **Community pride and tidier town**
Arranging a litter pick, or equipment to help the neighbours on your street tidy their gardens.

We would hope that all projects are inclusive and open to all residents to get involved.

Please be aware that if your project involves working with children and/ or vulnerable people, we will need to be assured that they are safeguarded and so may come back to you for more information.

Please keep us up to date on how your project is going and if you need any help or advice. We will formally contact you after 6 months to ask for some feedback in the form of a report and photographs.
