

# MACCLESFIELD TOWN COUNCIL

## PLANNING COMMITTEE

Minutes of the meeting held on Monday, 9<sup>th</sup> November 2015 at 7.00pm at Macclesfield Town Hall.

In attendance: Cllr G Jones  
Cllr P Bolton  
Cllr B Dooley  
Cllr A Harewood  
Cllr L Durham

Also in attendance was the Town Clerk, Pete Turner

### **1. APOLOGIES FOR ABSENCE**

None

### **2. DECLARATIONS OF INTEREST**

Cllr Bolton declared a non-pecuniary interest in applications associated with Civicance and took no part in discussions or decisions relating to any such applications

Cllr Harewood declared a non-pecuniary interest in the meeting as a member of Cheshire East Council's Northern planning Committee and took no part in the decisions of this meeting.

---

The Chairman of the meeting adjourned the meeting to allow questions and/or comments from members of the public.

1. Mr J Mattin spoke on behalf of the applicant for 15/2386M

Mr Mattin shared details of the revised plans with the committee which showed the development percentage of adjoining house plots. Mr Mattin maintained that the analysis provided showed that there was not a consistent approach to level of development in the surrounding plots (the proposed said to occupy 12.8% of its site and adjoining indicative properties ranging from 4% to 42.8% site occupancy).

With regard to concerns relating to shading from the proposed development, Mr Mattin stated that the trees already present on the site cast more shade than the proposed development and he stated that the proposed dwelling would cast no shade on the adjoining property.

Mr Mattin concluded by saying that based on his statement the committee should consider the occupancy of the available site as in keeping with the varied occupancy ratios in the surrounding development and that the property will create no overshadowing on adjoining properties.

2. Prof Waring spoke in objection to the proposed development 15/2386M

Prof Waring was concerned that the footprint had increased from the original application (Mr Mattin denied this in response from the floor). Prof Waring expressed cautious recognition that the redesign was a slight improvement on the previous design. Prof Waring maintained his objections that the proposed developed created an issue of overlooking adjoining properties as the land is higher than adjoining properties and as such overlooking was inevitable. Prof Waring expressed that he felt the amended design inclusion of a wooden screen was ineffective at preventing overlooking and in fact created greater privacy for the proposed development and no measurable improvement for the existing properties.

Prof Waring stated that the plans were inaccurate as they indicated the positioning of windows on his property incorrectly and if correctly drawn would demonstrate significant overshadowing and obscuring of his window.

Prof Waring did not agree with the percentage site development figures given by Mr Mattin.

3. Denise Newbury spoke in objection to application 15/2386M

Ms Newbury expressed that the proposed development would significantly overlook properties on Whirley Road and asked the committee if they had had the opportunity to consider the associated responses to the application – The Town Clerk responded to clarify that the committee had been provided with copies of and access to all associated documents, plans and objections.

Following this, the Chairman reconvened the Planning Committee Meeting (the public left the meeting, although they were not required or requested to do so).

---

### 3. MINUTES OF THE PLANNING COMMITTEE MEETING HELD ON 19<sup>TH</sup> OCTOBER 2015

**Resolved:** That the minutes are received as a true record of the meeting

---

### 4. OBSERVATIONS ON PLANNING APPLICATIONS
