

## Report Statement

### Report Purpose:

16. Macclesfield Town Ladies Football Club

### Author:

Town Clerk

### Background:

Macclesfield Town Ladies Football Club has been a fantastic community club for the town for many years. They have been using the same logo as the previous Macclesfield Town Football Club, however the new Macclesfield FC did not want them to use this logo when they took over.

The Macclesfield Town Ladies although disappointed decided to hold a competition for a new logo, and below is the winning result.

### Proposal

As you can see this logo has the lion and the wheat sheaf which is a protected emblem and the Town Council as the competent authority must give their authorisation and approval before they may use the logo.
