4. Minutes of the Planning Committee Meeting held on 29th October 2021

RESOLVED: That the minutes are approved as a true record of the meeting.

5. Matters Arising from the Minutes

Cllr Wilson raised 21/4113M Land North of Congleton Road, seeking if a response had been received from the Cheshire East Council on the following:

- The reason for the application to be determined by delegated authority and not committee i.e. SPB.
- The reason Macclesfield Town Council was not consulted.
- The extent of the distribution of the developer's pre-consultation leaflet.

To date, there has not been a response.

Cllr Wilson reported that Richborough Estates, landowner, has submitted an objection to 21/4113M as they require a full and detailed consultation, and the masterplan is only for part of the development.

Additionally, Cllr Wilson noted the application is still to be determined by delegated authority and not committee.

6. Observations on Planning Applications

The planning authority has been informed of the date of this meeting and any delays in responses as they relate to all applications with response closing dates before the date of this meeting.
