

Macclesfield Character Area Assessment: Community Engagement

Macclesfield Town Council is currently preparing a Character Assessment. This will describe what is distinctive about Macclesfield and be used to inform the Town Council of the potential impact of new development.

It is really important that we ask local people what they think makes Macclesfield special and unique so that this can be understood and celebrated. This could be an interesting fact about local people and places, a small piece of history about your local area or a particular view you enjoy.

Please help us by providing your thoughts below:

Q1. What do you think is special about Macclesfield?

Q2. What in your local area is distinctive (e.g. interesting local history, buildings/features)?

Q3. How would you like to see Macclesfield look in 20 years' time?

If you have photographs to illustrate your answers it would be great if you could send us those too!

Please note that this information will be provided anonymously but will be used to help prepare the document. Your answers may be quoted in the Character Area Assessment.

It would be really useful if we knew whereabouts in Macclesfield you live (or work).

If you would like to, please provide the first 4 digits of your postcode here (e.g. SK10):

Comments to be returned by **17th December 2021** to civic@macclesfield-tc.gov.uk, delivered to the Old Town Hall or by post to:
