Report Purpose:

Florals ITT

Author:

Town Clerk

Background

At Full Council on 25th July 2022 the ITT report for the floral contract in the town was approved, to appoint a contractor to plant, transport, water (as needed) and maintain (including dead-heading, weeding and removing litter) the floral displays in Macclesfield Town Centre, currently consisting of:

- 104 half circle pole mounted baskets;
- 72 barrier planters;
- 21 3-tiered planters;
- 10 large static square planters.

To be planted for summer and planted for winter.

It will be for years 2023 and 2024 with the possibility of a one year extension.

2 responses were received. A panel of Councillors and the Town Clerk made the decision to contract ANSA for the floral contract.

Proposal

To approve ANSA for the floral contract for 2023 and 2024 with a possibly 1 year extension. The contract comes in under budget at £94,667.24.
