

## **REPORT STATEMENT**

### **REPORT PURPOSE:**

To consider working with Trevor Druce to install one display board in the town centre, featuring a photograph of that view, from the past.

**AUTHOR: Town Clerk and Assistant Town Clerk**

### **Background**

The Town Clerk was approached by Trevor Druce (a member of the public) to consider installing a series of display boards which each feature a photograph of that particular view, from the past. An example is below:

### **Current situation**

We have learned from our previous efforts trying to launch the Tunncliffe Trail that to try and get permission for multiple display boards for launch of a trail, would be too challenging and extremely time consuming. Each one will require individual permissions.

The Town Clerk and Assistant Town Clerk held a meeting with Trevor Druce and discussed the idea of trialling one location so that we can see how long it takes to obtain permissions and install the board. Trevor will lead on this with support from the Town Council.

### **Potential Cost Breakdown**

Board approx. £1000

Licence fees: £235.88 (pre meetings and investigations)

Legal Fees: approx. £450

Installation: up to £1000  
Total approx: £2685.88

**Decision required**

The committee are asked to consider if they would be willing to support the installation of one board based on estimated costs.

**END OF REPORT**
