5.1 Community Engagement Update

We are currently working on a recruitment campaign for volunteers. We now have a small team of fantastic volunteers but as we are delivering more events, a bigger team would be beneficial. We spoke about this on Silk FM and are doing more social media posts as well as a press release.

In March, we will hold our first volunteer thank you event with the Mayor. This will be a great opportunity for us to thank our volunteers for all of their hard work in the first year of volunteering.

Grant applications and enquiries are steady. We have seen an increase in the amount of micro grant applications we are receiving.

The end of project and interim grant feedback forms have been finalised and are now in use. They have proven to be useful in gaining standardised feedback from applicants.
