5.1 Community Engagement Update

Grant applications have been high as expected following the summer. We have received lots of enquiries over the last few months and this has translated into applications.

The volunteering programme is steady. Interest definitely seems to increase in the summer months. We have recently recruited a volunteer who attended the Mayors Community Picnic and was so impressed with the event that he wanted to be a part of the team.

The Assistant Town Clerk continues to attend the monthly food network meeting. This will be particularly important as we approach the winter to monitor food supply.

We have been working with CVS on a grant feedback form to standardise the format of the information we receive.
