Your project/activity/event

Date of activity/event or anticipated start date of project:	Started 22/09/22 - runs weekly in term time.
Name of project (maximum 10 words):	Limitless Macclesfield Youth
Briefly describe what the grant you are requesting is required for and why it is needed (maximum 150 words):	<p>The grant is for the set up and sustainability of our community youth project. The church is able to fund the man power and the building costs, but needs the grant to purchase quality equipment and resources needed to run the project well and sustainably. Youth Provision is of high need at the moment with the repercussions of the Pandemic, and a spike in mental health needs. The Youth Project seeks to address some of these needs for the youth of Macclesfield.</p> <p>It runs on a Thursday evening 7:15pm - 8:30pm. It's an open activity drop in youth project. For 45 mins there's a flexible hang out time where the young people can do what they choose from the activities given. Then everyone gathers to play a game or activity and often a theme for the night where someone will bring a thought for the day.</p>
If you are successful with your application, please describe what your project/event/activity will achieve and what difference it will make to your organisation/area, how it will extend/develop community activity and how it meets the criteria listed in the Policy for the Allocation of Community Grants (maximum 150 words):	<p>The project seeks to make a difference to the lives of the young people of Macclesfield. In a time when isolation and negative mental health have deeply affected this generation we seek to provide a safe place where young people can connect with others their own age and engage in community activities that benefit themselves and the wider macclesfield community. We asked the general population of Macclesfield if there was a need for more general youth work provision and we had an overwhelming positive response from everyone asked. We want to link with the local high schools and provide a place that fulfils the needs of the local young people irrespective of background, ethnicity or religion.</p> <p>We know that our project will improve the young people's mental health, community connections and general outlook on life and access to other opportunities. Without access to good youth work young people may struggle.</p>
How will your project or service be sustained in the future? Maximum 50 words):	The church will continue to raise funds for it and provide volunteers and there is a small entry fee and tuck costs which adds minimal income to the project.
If your application is for an event and you make a profit, please state how this will be used:	Any profits will just go back into the project to buy more tuck or replenish equipment.
