Community grant feedback form**

It is a condition of Macclesfield Town Council community grants that a report of how the grant was used is given to the council on request.

Therefore, when requested, you are asked to complete the below form and return to the Assistant Town Clerk. If you have not yet spent the entire grant, we are asking you to return this form with a progress report and an explanation of when the money will be spent.

Name of organisation	S:Park South Park CIC
Contact name	Becky Thompson
Date grant awarded	04.07.22
Amount awarded	£250

Please describe how your grant was used:

The grant was put towards the entertainment costs of a free community event celebrating the centenary of South Park, Macclesfield. A consultancy on future plans for the pavilion rebuild and masterplan for the park as a whole was held at the same time.

How many people benefited from your project/activity or attended if it was an event?

500+ attended the event, and lots of questionnaires were filled out regarding the pavilion rebuild and park masterplan.

Along with this document, please provide at least one photograph of your project/event.

What was the outcome of your grant?

Everyone attending the event really enjoyed the quality performers we were able to have play, without the grant we would not have been able to afford them. It also meant increased footfall to the pavilion consultation tent.

What have you learned from this project?

That it's well worth applying for a grant from MTC

Please tick this box if you consent to the photographs you have provided being shared with the Finance Committee, on publicly available finance committee documents and on the Macclesfield Town Council website yes ☐
