

**Macclesfield Town Council
Community grant feedback form
Interim project update**

It is a condition of Macclesfield Town Council community grants that a report of how the grant was used is given to the council on request.

Therefore, when requested, you are asked to complete the below form and return to the Assistant Town Clerk. The form will be shared with the Finance Committee and in the committee reports which are put onto our website.

We are requesting an interim progress report.

Name of organisation	Scoop and Scales
Contact name	Matt Todd
Date grant awarded	7.11.22
Amount awarded	£900

Have you made any progress on your project so far? If so, tell us about this below:

- We have agreed a plan to decorate the space, using some funds from Scoop and Scales as outlined in our grant application, this should take place within the next month.
- I have started to have conversations with all of the green groups to get them onboard with the project again, and to start to book in events and get them to think of ideas for how they might use the space.
- We have got 5 events booked in so far for January, including an opening discussion between local green leaders about the possibility of starting a community energy project in Macc (which we are very excited about!)

What have you learned from so far from this project?

- It has shown that there is appetite for affordable space in a central location.
- It has shown more than ever that we need to get the green organisations communicating and working together much more closely.

When do you expect the project to be complete?

We have decided to use the funds to pay for half of the rent of the space for the whole of 2023, so we can do a final grant report in December or perhaps early January 2024.

Please return this form to helena.gowler@macclesfield-tc.gov.uk
