It is a condition of Macclesfield Town Council community grants that a report of how the grant was used is given to the council on request.

Therefore, when requested, you are asked to complete the below form and return to the Assistant Town Clerk. If you have not yet spent the entire grant, we are asking you to return this form with a progress report and an explanation of when the money will be spent.

The form will be shared with the Finance Committee, in committee papers and on our website.

Please describe how your grant was used:

We have used part of the money to get girl guiding badges that girls have achieved and previously couldn't afford. The rest of the money will be spent soon on sports equipment for us to use when we have warmer weather.

How many people benefited from your project/activity or attended if it was an event?

5 girls and 3 leaders

What was the outcome of your grant?

The girls were so happy to get the badges and be able to show them on their uniforms. The girls were so thrilled and talked to their school friends, now we have two new members.

What have you learned from this project?

This funding has allowed us to try newer activities with the girls that we previously couldn't afford.

Please insert at least one photograph of your project/event here:

Unfortunately, we don't have photo permission from the parents to share images.

Please also attach evidence of the promotion you have carried out for this project (press articles/screenshots of social media posts etc).
