

Appendix 1 : Macclesfield Town Council Ward Budget Application Form

Name of Ward	Hurdsfield
--------------	------------

Tell us about the project?

Using slow cookers to cook healthy, hearty meals for the community.
Group will meet weekly to try out new recipes, eating together and share ideas.

At the end of the project, 6 weeks individuals can keep or return slow cooker.

How will residents benefit from this?

Meet and eat together in a warm place. Make new friends and share ideas about budgeting, cooking and signpost to other groups and agencies as and when required. E.G. CAB, health professionals and other services.

How will residents help the project?

Volunteers to provide support preparing meals.

What difference do you hope this project will make?

Feed people throughout the winter in a warm space.
Build community resilience and support during current cost of living crisis
Make friends share ideas to save money, have at least one hot meal per week.

How much will it cost?

6 X slow cookers @ £35 = £210
6 X knives and chopping boards @ £20 = £120
Ingredients £300

Total £630
