Tell us about the project?

There are 3 projects:

1. To pay for resources for volunteers and Councillors to remove graffiti.
2. To create a community green project (hopefully similar to Portland Walk) plus tree planting.
3. To buy notice boards to go onto the phone boxes on Westminster Rd and SPAR car park.

How will residents benefit from this?

1. The ward will look cleaner and be a better place to live.
2. The ward will create a green space and volunteers will get involved to help grow it. Green spaces create wellbeing.
3. The noticeboards will help disseminate information to the Bollinbrook and Tytherington communities.

How will residents help the project?

Volunteers will be helping with the clean-up and the new community green space. Installation and updating of the notice boards.

What difference do you hope this project will make?
