Therefore, when requested, you are asked to complete the below form and return to the Assistant Town Clerk. The form will be shared with the Finance Committee and in the committee reports which are put onto our website.

We are requesting an interim progress report.

Have you made any progress on your project so far? If so, tell us about this below:

Yes

We have purchased the wood for the main structure. The sections have been cut ready for construction. Meanwhile we are in the process of applying preservative to all sections. It is planned that the holes will be dug, and the main structure put up on Saturday June 10th.

The rest of the structure and other items will be purchased gradually over the coming weeks.

What have you learned from so far from this project?

Everyone has asked exactly what we are doing and are very much in favour.

When do you expect the project to be complete?

Late summer. We are providing all labour, so it takes a while to fully complete.

Please return this form to helena.gowler@macclesfield-tc.gov.uk
