Date grant awarded	6 th April 2023
Amount awarded	£1,997.72

Please describe how your grant was used:

The grant was used to purchase throwing equipment for use at the Macclesfield track by anyone who hires it.

How many people benefited from your project/activity or attended if it was an event?

The track is used by hundreds of Macclesfield harrier a year, plus the schools and other sports clubs also hire it out and have full access to the equipment. We are also hosting an introduction to throws session on Saturday 29th July 2pm-4pm for anyone to come have a try for the first time across all 4 throws.

What was the outcome of your grant?

We have had more athletes throwing within Harriers as it invoked a new interest to see what is it like. We are also excited about the session in July for people of all ages to come give it a try.

What have you learned from this project?

It has encouraged the voluntary coaching team to really put a renewed focus into the throwing part of the club and really try and drive this forward as much as possible.
