Have you made any progress on your project so far? If so, tell us about this below:

We have had a meeting with Macclesfield Silk Museum and Ashgrove Primary School. At this meeting we drew up a plan for the project which is due to start in September 2023 and finish in February 2024. The details will be worked out before the summer holiday so that we are due to launch in school at the start of the new school year.

What have you learned from so far from this project?

It has been reassuring to get together and make a plan for the project. We are confident that we have a clear understanding of what we are trying to achieve and how to do it.

When do you expect the project to be complete?

February 2024

Our hope is to have a final event at the museum at the start of 2024 where participants from the school will be invited to the museum where they will get to see their work. There will also be an 'activity book' produced linked to the project and some Christmas cards showing their work.
