## **9.4 Allotments**

### **Knowsley Road:**

A site inspection was carried out with the Assistant Town Clerk and Lead Town Ranger in May. As a result of this, a number of non-cultivation letters were sent out.

The boundary was also inspected with ANSA. There are issues with the integrity of the fencing which are being made worse by mounds of earth piled at the end of plots. An email has been sent out asking tenants to stop doing this and to ensure they are utilising the whole plot. We can't look at pricing up new fencing until this work has been carried out. It is a significant task which may involve using diggers to clear the area. This cannot take place until we have a spare plot to use for access. If

a plot becomes available, it will be left vacant so that we can use it for this purpose. This will be a long term project.

The water pressure is low on the Knowsley Road site. United Utilities are investigating.

### **Springfield Road:**

A site inspection was carried out in May. As a result of this, a number of non-cultivation letters have been sent out and a tree is being inspected.

There is an access road to the site which is owned by Cheshire East Council. In the last few weeks, a fence has been installed at the rear of a property which backs onto this access road. This has encroached a few inches which is enough to mean that the ranger van can no longer fit down here to carry out maintenance. This issue has been raised with Cheshire East Council.

### **Park Grove:**

Site inspection will take place on 29<sup>th</sup> June.

## **9.5 Street sports**

Basketball sessions are now taking place in West Park on Monday evenings 6-7pm. Free to the public for ages 8-14.

We have been promoted street sports heavily and posting reminders on the day of each session on social media.
