Have you made any progress on your project so far? If so, tell us about this below:

Yes, the funding was so that we could keep our Saturday club being delivered. The grant started to be used from August 2023 for activity consumables inc art, craft materials and also towards the snacks, equipment and also for travel expenses for our mini bus. During the August holidays we were able to take 2 trips to Rubys fund over in Congleton via our mini bus which was fantastic as the children were able to experience their sensory bus and sensory space. We will definitely be doing this again in the holidays.

We have been able to help and support 53 children within the 6 months of the grant.

What have you learned from so far from this project?

That the Saturday club is a vital part of our offer, so much so we have been able to gain more funding for another social club so we can engage with more autistic children and young people.

When do you expect the project to be complete?

The project will be completed at the end of July 2024, however, we are hoping to keep the Saturday club running with more support from trusts and grants
