

**Macclesfield Town Council
Community grant feedback form
Interim project update**

It is a condition of Macclesfield Town Council community grants that a report of how the grant was used is given to the council on request.

Therefore, when requested, you are asked to complete the below form and return to the Assistant Town Clerk. The form will be shared with the Finance Committee and in the committee reports which are put onto our website.

We are requesting an interim progress report.

Name of organisation	Roennaissance Project: Roe's Gardeners
Contact name	Jo Dommett
Date grant awarded	3rd July 2023
Amount awarded	£1950

Have you made any progress on your project so far? If so, tell us about this below:

Yes, we have measured out the grids for the four beds and created two alternative potential designs. These will need approval from the Renaissance Committee, who next meet on 21st September, and any planting will need to wait until the correct time of year - for many proposed plants, this is October.

What have you learned from so far from this project?

Our knowledge of the plants available which can survive with minimal water and also survive wet and cold winters has broadened.

When do you expect the project to be complete?

As the project will need a seasonal planting cycle to complete, and we expect to start planting in October 23, then we would expect to have finished the planting by October 24.
