

## **Report Statement**

### **Report Purpose:**

Town Centre Signage Project

### **Author:**

Town Centre Manager

### **Version Control:**

v1

### **The archway for the Castle Quarter**

This is still ongoing. The Town Centre Manager met with Andy Simpson from Cheshire East Highways at the beginning of September to discuss next steps. Andy is speaking to the relevant people within Cheshire East and will feed back to the Town Centre Manager.

### **Railway Station**

The Town Centre Manager went to the train station mid-September to discuss a number of projects and has now received a new contact who will hopefully be more responsive to working with us to advertise events etc.

### **Public Toilets**

The Town Council are working on signage for the public toilets also with the CEC Regeneration team.
