Use this guide to fill in the following questions to explain how the changes you propose fit in with the guide.

NB. This grant is only available for schemes considered by MTC to comply with the spirit of the Shop Front Guide for Macclesfield. Please ensure you have properly read and understood this guide before making an application to avoid disappointment. This grant is there to enhance your shop front and shouldn't be applied for solely on the grounds of maintenance work required.

Macclesfield Town Council will review all complete applications at the Planning Committee meeting. The Planning Committee will view all shop fronts prior to the meeting.

Grants will be considered for enhancement work to shop fronts only, no internal changes.

Maintenance work will be considered on a case-by-case basis, and where this will enhance the shop fronts look.

The Planning Committees decision is final.
