

Report Purpose:

National Allotment Society membership

Author

Assistant Town Clerk

Background:

The National Allotment Society (NAS) is the leading organisation upholding the interests and rights of the allotment community across the UK. They work with council's all across the country to offer support, guidance and advice to members. They are a not for profit organisation.

The officers use the advice service on a regular basis. In the past year, the NAS have advised officers on the introduction of our annual admin fee (from 2025), the letter to tenants regarding the change, water supply issues and the rent audit that we completed earlier this year.

This is a valued service.

The annual charge is £70 an increase of £4.

Proposal

To renew the membership of the National Allotment Society for 2025.
