Interim project update**

It is a condition of Macclesfield Town Council community grants that a report of how the grant was used is given to the council on request.

Therefore, when requested, you are asked to complete the below form and return to the Assistant Town Clerk. The form will be shared with the Finance Committee and in the committee reports which are put onto our website.

**We are requesting an interim progress report.**

<b>Name of organisation</b>	MHA Communities Cheshire East
<b>Contact name</b>	Claire Hancock
<b>Date grant awarded</b>	March 2025
<b>Amount awarded</b>	£1,700

Have you made any progress on your project so far? If so, tell us about this below:

Yes, our lunch clubs are up and running. We are having around 25 people attending each time and have local volunteers who support us with delivery including catering, administration and befriending.

We have received 3 new referrals and expect this to increase.

What have you learned from so far from this project?

That older people value the friendships they make when attending the sessions and how important it is that they are having a home cooked meal as many are living on sandwiches or ready meals and not getting the right nutrition to keep them well.

When do you expect the project to be complete?

End of February 2026
