

Report Purpose:

Parks and Play Areas

Author:

Town Clerk

Updates

1. Holcombe Drive

Works has commenced and all equipment concreted in now and prepping for safety surfacing, weather permitting.

2. South Park – Tender Submissions

Four submissions have been received for the South Park project. These will be reviewed and a recommendation will be prepared. All submissions will be circulated for consideration.

3. West Park Planning Application

The planning application for West Park has received no major objections. One query has been raised by an Arboricultural Officer and will need to be addressed before the scheme can progress.

4. LTA – Tennis Coach Appointment

A tennis coach has now been appointed at South Park in partnership with the Lawn Tennis Association (LTA).

5. Victoria Park – Aviary Building

The former aviary building has been improved and repurposed as a small community art gallery. The facility is now suitable for events and bookings from schools, community groups, Town Councils, and other partners.

6. Park Condition and Assessment Reports

CEC will commence park condition and assessment reports in December. The findings will support future investment planning and strengthen partnership working between Macclesfield Town Council and Cheshire East Council.
