Have you made any progress on your project so far? If so, tell us about this below:

We held our first daytime friendship session on 6<sup>th</sup> May at Paradise Mill, 10am until 12pm. 6 ladies attended this session where they enjoyed hand weaving a coaster. Following the completion of the weaving the staff at from the Silk Museum kindly offered us a weaving demonstration and gave us all some interesting facts about the history of Paradise Mill and the staff that used to work there.

What have you learned from so far from this project?

The feedback from the session was extremely positive, all of the ladies said that they found the session enjoyable and relaxing. Feedback suggested that they liked that the session was held in the town centre and that a drink was supplied. Some of the attendees liked that the session was held in a venue which was related to the history of Macclesfield and that the activity that we did was fitting for the venue.

I would like to look at holding some sessions in other venues that are related to the activity that attendees are taking part in.

When do you expect the project to be complete?

We hope to run sessions over the course of a year, with the hope of continuing these after this time subject to funding.
