

**Macclesfield Town Council  
Community grant feedback form  
Interim project update**

It is a condition of Macclesfield Town Council community grants that a report of how the grant was used is given to the council on request.

Therefore, when requested, you are asked to complete the below form and return to the Assistant Town Clerk. The form will be shared with the Finance Committee and in the committee reports which are put onto our website.

**We are requesting an interim progress report.**

<b>Name of organisation</b>	Macclesfield Town Ladies Football Club*
<b>Contact name</b>	Matthew Ball MTLFC representative (mball100@hotmail.com)
<b>Date grant awarded</b>	3 <sup>rd</sup> March 2025 Finance Committee Meeting
<b>Amount awarded</b>	£2000 (plus matched funding)

\*(As disclosed - recently merged with Bollington UTD Football Club to introduce a full age-range of women/girls team and support the future of the game for girls across Macclesfield and local area)

**Have you made any progress on your project so far? If so, tell us about this below:**

Yes, the project is progressing to plan, with the target of getting all of our girls/women's teams a full set of home kit ahead of the 2025 season starting in Sept 2025

- We now have a new committee in place with representatives from the MTLFC setup
- We are reaching the end of the activity to gathering all of the size requirements and printing data for each team
- The kit supplier has been identified, with positive prior experience in supplying women-specific kit shape and sizing. This is a big step forward for the club, as men/boys kit has only been in place in the past
- Purchase will be made for the home kit, on track for the time limit set out
- In addition, a full away kit will also be purchased at the same time, using existing Bollington United Club funds, as confirmed at point of funding

**What have you learned from so far from this project?**

- As above, we've found a kit supplier which fits our diversity and inclusivity needs, and have learned about ensuring the right shape, size and suitability of kit for the girls can be sourced within our budget

- We have learned that the synergy with our new setup means we can achieve a home and away kit for the September start for our girls

**When do you expect the project to be complete?**

- All of our girls/women's team will have kit available for the 2025/6 season starting on 4<sup>th</sup> September, 2025
- As agreed, this will include printing of the Macclesfield Town Council logo on the kits
- We will keep you informed of progress, both in writing and with some nice photos of the teams, for your publicity.

Thanks again for your support which will make a real difference to the confidence and focus of our girls and women!
