Please describe how your grant was used:

The grant was used to instal an artificial wicket at our ground.

How many people benefited from your project/activity or attended if it was an event?

Hundreds of people have benefited since its installation. Our junior academy teams use the wicket regularly through the season, it is also used by our ladies and disability cricketers.

What was the outcome of your grant?

We have been able to accommodate more junior, ladies and disability cricket matches and training sessions enabling us to grow these teams and provide more opportunities for people in our community to engage in cricket.

What have you learned from this project?

We have learned that there is a real appetite for cricket in our local area and by constantly reviewing our facilities we can hopefully meet the need and help grow the game for a wide and diverse audience.

Please insert at least one photograph of your project/event here:

Please also attach evidence of the promotion you have carried out for this project (press articles/screenshots of social media posts etc).
