Have you made any progress on your project so far? If so, tell us about this below:

Yes, our lunch clubs are up and running. We are having around 25 people attending each time and have local volunteers who support us with delivery including catering, administration and befriending.

We have had 23 new referrals since our funding began which is great as we are reaching the people most in need.

What have you learned from so far from this project?

We have learnt how valuable these sessions are to our members, the friendships formed are a delight to see. As well as having trained staff and volunteers present we have noticed that there is a large amount of peer to peer support. Members have swapped phone numbers and are calling each other in between the sessions and are sharing transport.

When do you expect the project to be complete?

End of February 2026
