To update committee on progress and work associated with the street scene.

## **Author:**

Town Clerk, Assistant Town Clerk, Town Centre Manager and Town Ranger team

### **8.1 Public Realm**

The Macc on Foot is complete, and we await a formal agreement from CEC in order to take over the maintenance of the street furniture.

O2 are still very interested in having a mural on the side of their building but they are currently sorting out a long term lease. They are going to let us know as soon as this has been signed so that we can hopefully start to progress things.

### **8.2 Town Ranger**

The rangers have been carrying out maintenance across the town. This includes street sign painting, weeding, cutting back of shrubs, scraping and tidying as well as graffiti removal, collecting rubbish from organised litter picks and banner removal. They have also been supporting the inspection and maintenance of the allotment sites as well as event preparations with moving equipment.

### **8.3 01625 Gallery**

Please see report attached.

### **8.4 Museum on the Street**

The first 2 boards are up on Castle Street and Mill Street and have been well received.

The remaining boards are being planned in to complete the project.
