

Report Purpose:

To consider a one-year extension of the streets sports agreement with Macclesfield Community Sports Trust.

Assistant Town Clerk

Background

The Town Council approved Macclesfield Community Sports Trust as the provider for our street sports sessions from April 2024 on a service level agreement for 2 years with a possible one year extension.

In April 2026, we will be at the end of the initial 2 year contract.

Over the last 2 years, Macclesfield Community Sports Trust have worked hard to develop a relationship with the children who attend and the sessions, particularly the Thursday session, are going from strength to strength.

Recommendation.

We do not think it would be in the best interests of the children who attend to seek a new provider at this point, so we ask the committee to consider extending the street sports service level agreement with Macclesfield Community Sports Trust for an additional year until April 2027.
