

**Macclesfield Town Council
Community grant feedback form
End of project report**

It is a condition of Macclesfield Town Council community grants that a report of how the grant was used is given to the council on request.

Therefore, when requested, you are asked to complete the below form and return to the Assistant Town Clerk. If you have not yet spent the entire grant, we are asking you to return this form with a progress report and an explanation of when the money will be spent.

The form will be shared with the Finance Committee, in committee papers and on our website.

Name of organisation	Beeyou Support Hive CIC
Contact name	Laura Mckie
Date grant awarded	03/03/25
Amount awarded	£1,050.50

Please describe how your grant was used:

Daytime friendship groups for individuals at risk of isolation, including those with physical/mental health conditions, unpaid carers, neurodiverse and those with financial barriers to socialising.

How many people benefited from your project/activity or attended if it was an event?

81 over the course of the grant period.

What was the outcome of your grant?

We have been able to reach out and support more individuals and have seen the number of individuals registered with us rise from 20 to 81 with more referrals from social prescribers and individual enquiries increasing weekly.

We have seen the great effects that our sessions have had on the lives of those attending, they have formed friendships and have increased self-esteem and confidence. From our survey feedback 100% of individuals said that they felt our sessions improved mood, happiness and helped reduce stress, anxiety and low mood, highlighting the impacts on mental wellbeing too.

Several members have joined our volunteer team which has increased to 6.

What have you learned from this project?

Be prepared for the unexpected! We have had several changes during this time period especially surrounding venues, we hope in the future to be able to secure a venue of our own to be able to expand our services even further.

The demand for our services has been high with many sessions being fully booked and attended.

Please also attach evidence of the promotion you have carried out for this project (press articles/screenshots of social media posts etc).
