

**Macclesfield Town Council
Community grant feedback form
End of project report**

It is a condition of Macclesfield Town Council community grants that a report of how the grant was used is given to the council on request.

Therefore, when requested, you are asked to complete the below form and return to the Assistant Town Clerk. If you have not yet spent the entire grant, we are asking you to return this form with a progress report and an explanation of when the money will be spent.

The form will be shared with the Finance Committee, in committee papers and on our website.

Name of organisation	3 rd Macclesfield Upton Priory Scout Group
Contact name	Matthew Hartley
Date grant awarded	22 nd June 2026
Amount awarded	£2000

Please describe how your grant was used:

The grant provided by MTC was used to improve our kitchen and dining space when on large scale camps with our Scout group, with the funding we have been able to purchase a new 12m x 6m heavy duty marquee with storage cases and sufficient tables and benches to seat up to 80 young people.

How many people benefited from your project/activity or attended if it was an event?

The new marquee, tables and benches had their first outing at Chamboree 2026, a large scale camp that our group attended in August. On this occasion the equipment provided kitchen and dining space for 70 people from our Scout Group. The equipment is already scheduled to be used again at the JOTI camp in October where we expect it will again support upwards of 60 young people. The quality of the equipment is such that we expect it will last many years and support 100s of young people during its life span.

What was the outcome of your grant?

Amazing !... the new equipment provided a huge, comfortable space for the young people in our Scout Group to cook, eat and socialise. No longer did we have to squeeze into the smaller shelters we have, they were able to spread out and were provided with a truly flexible space at camp. For future camps, we also expect to be able to keep costs down as we no longer need to hire marquees from external providers at an ever increasing cost.

What have you learned from this project?

Having more space for young people on camp is amazing and being able to keep the cost down for families when we go on camp means we can do it more often!

Please insert at least one photograph of your project/event here:

Here are a few pictures of our new equipment in use at home in the Scout Hut and away at Chamboree 2026.

Many Thanks from 3rd Macc !

Please also attach evidence of the promotion you have carried out for this project (press articles/screenshots of social media posts etc).
